虎姫！

Tiger Princess

Hello...my name is 君野朋成 (literally "let's be friends")

When Shiraitodai showed up during Achiga-hen
I thought "Eh? That's not what I'd expected "
So I started this book
The first half was written last year
I can't believe I worked on this for a whole year
Back then I didn't know how they addressed each other
so some stuff I made up
I hope you'll like it

Bookworm
I wonder what kinds of books she likes
Miyanaga-san is reading again
She's so pretty~
Books by Montgomery?
Yeah!
*Lucy M. Montgomery: author of Anne of Green Gables
A Harlequin novel (H part)
アルーン
*Harlequin publishes romance and women's fiction
This is so graphic~
And the young girls imaginations are shattered
どきどき!

Lost ①

Hey
Yes?
turn
Mahjong Club First Year

M-Miyanaga-senpai! Okay!
let's go to the club room together?

Walking side by side with Miyanaga-senpai

Forgot where the club room was
Saved

Lost ②

Why do you keep following me
Eh?

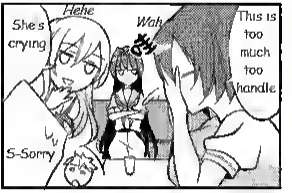
Because I like you Sumire
It's because you got lost again right?

Change

Ah

There's orange juice in my teacup

It's not nice at all
Ah, sorry I thought a change might be nice...



Hehe
Woh
This is too much too handle
She's crying
S-Sorry

△

—and that's what happened
Teru is so directionally challenged

This thing on your head
Why don't you use your drill to pierce through walls?

Ehh
You read too much manga

Was what Sumire was thinking
Making fun of Awa isn't even funny anymore

Didn't get it
All in Favor
I'm still stronger!
But even compared to older students
You should watch how you address older students
By the way Awai
Haha
Right?
Well... compared to me that's true
Yeah
Eh— but Teru said she doesn't mind
That's what I like about you... Seiko
No I just need to get stronger.
Aren't you mad?
Me neither
I don't mind either
So dense
?
Thanks.
Then forget it
Ah...
I don't care either way

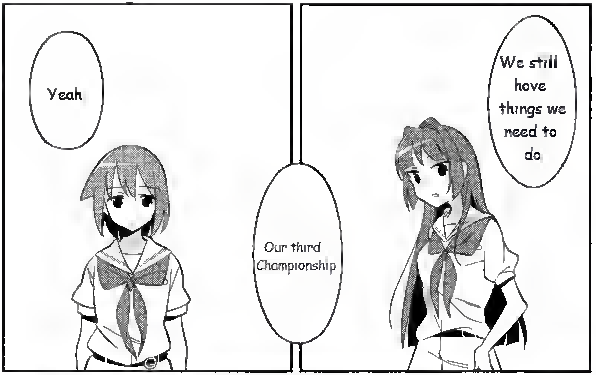
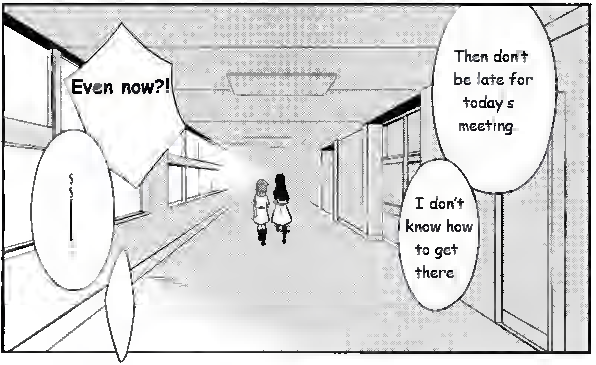
If tomorrow were the end of the world
what would you do?
Huh?
I read it in this book
Hah?
Spare me
I'm not as into books as you
—I'm not looking for a particular answer
世界最後一天

I just want to know what you think
Me?
and everyone else
I'll probably be playing mahjong like any other day
with you—

Did I say something embarrassing?
Seriously
Yeah
Me too
She's smiling...?
Seriously this girl...
Together with you, Sumire...

Normally she doesn't show any expression
I still don't understand her
Then suddenly she'll look at me like that
Maybe
All right
Enough with meaningless questions Let's go
Today tomorrow and every day afterwards—
じと
What do you mean by meaningless? You're so mean
It is meaningless because
The world won't end that easily





We move forward, for the future
